Mr. Mark Young  
Regional Sales Manager  
New York Region

Dear Mark:

Last month promotional calendars were mailed to various retail outlets in your area. Attached you will find a list of those that were returned for incorrect addresses. Could you please double check these addresses and make sure they are correct. You may want to re-send or personally drop off these calendars from the supply in your office.

I would appreciate it if you would send me a corrected address list so that I can forward it on to Consumer Relations as they are wrong in our system.

Thank you for your help.

Pamela Settle
